On behalf of the Athletic Department of Archbishop Carney Secondary School, we would like to thank THE FUN CLUB and REX GO for their support of the Senior Girls Volleyball team.

The Fun Club supports high school volleyball by promoting the sport and by offering fundraising incentives for high school teams. Over the past 2 summers the Fun Club has coordinated a 2 day grass tournament and assisted the Sr. Girls Volleyball team in running and managing aspects of the tournament including concessions.

We appreciate your time and dedication to the sport of volleyball and particularly for your support of the Archbishop Carney Senior Girls Volleyball team.

With thanks,

**Rachel Rogan
